## Everest Group names Capgemini a Leader in Life & Pensions digital services

Paris, April 8, 2019 – [Capgemini](#) today announced that it has been named a Leader for Life & Pensions (L&P) insurance digital services in [Everest Group](#)'s inaugural L&P Digital Services PEAK Matrix™<sup>1</sup>. Capgemini was acknowledged for its ability to gain global insights through its consulting heritage along with its robust digital services, and partnerships with core product vendors.

*"The L&P insurance sector in the last 12-18 months can be characterized by a massive shift from applying digital levers at the peripheries to reimagining business and operating models by deploying digital technologies such as analytics, API-based integration, cloud, machine learning, and RPA. Although cost containment and efficiency gains are still on the top of their strategic agendas, significant investments are now pouring in to create a frictionless experience for end-customers,"* said Ronak Doshi, Practice Director, Everest Group. *"Robust capabilities across multiple digital technology stacks, wide partnership ecosystem comprising strategic alliances with domain and technology-centric niche vendors, and established credentials to support L&P insurers with consulting-led problem-solving approach to serve unique client requirements, has helped Capgemini position as a Leader on the inaugural Everest Group L&P Insurance Digital Services PEAK Matrix™."*

According to Shane Cassidy, Managing Director for Insurance at Capgemini, *"Making an impact in L&P is all about digital transformation through the right technologies implemented with vision and innovation. Everest Group's recognition of our strength in L&P confirms that our collaborative approach with clients and alliance partners is the correct way to digitally transform and bring value."*

This report analyzed the capabilities of 19 service providers through an objective, data-driven, and comparative assessment based on their absolute market success and delivery capability. The full report, [Life & Pensions \(L&P\) Insurance Digital Services PEAK Matrix™ 2019 – Leapfrogging the Digital Transformation Stage](#), is available on the Everest Group website.

<sup>1</sup> The PEAK Matrix is a framework to assess the relative market success and overall capability of service providers. Service providers are positioned on the PEAK Matrix based on evaluation across two key dimensions: market impact measured by the market adoption, portfolio mix, and value delivered, and vision & capability measured by vision and strategy, delivery footprint, innovation and investments, and scope of services offered.
