Johan Van Oeffelen appointed Managing Director of Capgemini Belgium

Diegem, January 18, 2024 – Capgemini announces the appointment of Johan Van Oeffelen as the Managing Director of Capgemini Belgium, effective January 1, 2024. Formerly head of Capgemini Engineering in Belgium, Johan Van Oeffelen succeeds Piet-Wybe Wagter, who has taken another role within the Capgemini Group. Piet-Wybe and Johan will work closely together until the end of March 2024 to ensure a smooth transition.

"*I am delighted that Johan Van Oeffelen, a seasoned leader with a passion for technology, is taking over the role of Managing Director of Capgemini Belgium*," said Eric de Quatrebarbes**,** Head of the Europe Cluster Business Unit at Capgemini. "*I am confident that his strategic vision, expertise in innovation for key sectors, and leadership skills will further Capgemini's growth in the region*."

"*I am very proud of this appointment and the opportunity to contribute to Capgemini's continuous development in the region. I'll use my experience, accumulated over the years, to accompany our clients along their innovation journeys as their strategic partner, providing first-class technological and sectorial expertise,*" said Johan Van Oeffelen, new Managing Director of Capgemini Belgium. "*I will do this knowing that we have a great team, with whom we have achieved important growth targets in recent years, led by Piet-Wybe Wagter, positioning Capgemini in the region as a leading player.*"

Biography: Johan Van Oeffelen
Managing Director of Capgemini in Belgium

Johan Van Oeffelen joined Capgemini in 2020 and has since held the role of Managing Director of Capgemini Engineering in Belgium. Prior to this, he spent 12 years at Altran Belgium where he held leading positions as Technology and Innovation Director and at the head of key industries such as Transportation, Mobility, Electronics, Life Sciences. He started his career at ExxonMobil Chemical in 2005. Johan is a graduate of the University of Antwerp in Commercial Engineering.
