

Bernd Bugelnig appointed as Country Manager of Capgemini in the Czech Republic

Prague, November 14, 2023 – [Capgemini](#) announces the appointment of Bernd Bugelnig as Country Manager of Capgemini in the Czech Republic. He will use his expertise in building effective teams and client focus to further increase Capgemini’s visibility and impact in the country.

"I am delighted to have the opportunity to contribute to developing the Czech Republic's digital future leveraging the local and international strengths of Capgemini," said Bernd Bugelnig, new Country Manager of Capgemini in the Czech Republic. "I look forward to bringing the experience and dedication of Capgemini's team to offer new business and technology transformation services to Czech companies, notably customized solutions for intelligent automation and public cloud, as well as helping them accelerate the reduction of their carbon footprint and take advantage of generative AI to answer their business challenges."

Biography: Bernd Bugelnig

Since 2015, Bernd Bugelnig was Country Manager of Capgemini in Austria where he has led numerous projects across industries focusing on technology-driven transformation, some of which were notably successfully deployed in the Czech Republic.

Bernd joined Capgemini in 2000. He spent more than 20 years at Capgemini where he held different leadership roles in Austria. Besides that, he served clients and delivered projects in Central and Eastern European countries such as Slovakia, Hungary, Croatia, Bosnia Herzegovina, and Ukraine.

From 1991 to 2000, Bernd was Manager at Ernst & Young Consulting, a consulting firm acquired by Capgemini in 2000. He started his career in 1988 at Philips Data Systems.

Bernd Bugelnig, originally from Carinthia, Austria, studied computer science at the Technical University of Vienna.
