## Capgemini appoints Steffen Elsaesser as Chief Transformation Officer

**Paris, June 22 2022 – [Capgemini](https://www.capgemini.com) announces the appointment of Steffen Elsaesser as Chief Transformation Officer and member of the Group Executive Committee, effective July 1, 2022. In this role Steffen will be responsible for designing and implementing globally some of the Group's key transformative initiatives. He will report to Aiman Ezzat, Capgemini's CEO.**

*"Steffen brings to this Group role an exemplary track record in leading strategic consulting projects for our clients. He is a recognized expert for business and technology led transformations, innovation and growth strategy, and leadership and organizational development,"* comments Aiman Ezzat, CEO of the Capgemini Group. *"I am delighted to welcome Steffen to this Groupwide role and the Executive Committee."*

*"During my years of serving our clients as their strategic business partner, I have focused on ideating and designing their future business strategies much of it underpinned by digital transformation. I am now very much looking forward to bringing the breadth of my experience to my new role as Chief Transformation Officer of the Group and adding value to the Group Executive Committee,"* said Steffen Elsaesser.

### **Biography: Steffen Elsaesser**

Most recently, since 2018, Steffen was Managing Director of Capgemini Invent in Germany. Prior to this he led the Central Europe Customer Experience team from 2014 to 2018 as Executive Vice President and member of the Global Capgemini Consulting leadership team. Steffen has 28 years' experience in client, marketing, talent and operations management.

In 1998 Steffen joined Gemini Consulting, later Capgemini Consulting, where he held various client and management roles in the Automotive and Customer Experience Teams.

Steffen began his career in 1994 at General Motors Europe in Frankfurt, Zürich and Madrid as Product Manager and Market Analyst.

Steffen holds a business administration degree from the University of Tübingen and a Management Degree from the University of California, Los Angeles.
