28  
TUESDAY

- 
- 10:00-10:30**      **Use cases of Future Connected Mobility – Is the network a bottleneck?**  
**Bruno Coelho**, Capgemini | **Oussama Ben Moussa**, Capgemini | **Vasco Santos**, Capgemini
- 
- 11:00-11:30**      **CRI Report: Cloudification of Telecom Networks**  
**Abhay Savargaonkar**, Nokia | **Shamik Mishra**, Capgemini | **Nitin Arora**, Capgemini
- 
- 12:00-12:30**      **Build 5G B2B use cases from scratch with the as a service NOUS platform**  
**Roberto Chico**, Capgemini
- 
- 13:00-13:30**      **Welcoming the Dutch MWC Pavilion delegation**  
**Ralf Bus**, Capgemini | **Erik Roelofs**, Capgemini
- 
- 14:00-14:30**      **Evolution to broadband Mission Critical Communications**  
**Selim Bouri**, Airbus Secure Land Communications | **Guillaume Lambert**, advisor to the general secretary, Head of the French public safety broadband network programme RRF | **Manuel Ruiz**, Ericsson
- 
- 15:00-15:30**      **How ecosystem is accelerating Enterprise's shift to Smart Products and Services**  
**Renu Navale**, Intel Corporation | **Akther Javid**, T-Mobile | **Harinder Singh**, Microsoft | **Lisa Mitnick**, Capgemini | **Karl Bjurström**, Capgemini
- 
- 16:00-16:30**      **A new world of capabilities for AR in industry and Industrial metaverse**  
**Marc Bringuier**, PTC
- 
- 17:00-17:30**      **The path to net zero for Telcos**  
**Fawad Qureshi**, Snowflake
- 
- 17:00-18:30**      **Cocktail Hour**

# 01

WEDNESDAY

- 
- 10:00-10:30**      **5G Private Networks**  
**Raymond Pao**, HTC
- 
- 11:00-11:30**      **Beaming 5G from the stratosphere**  
**Kevin Bean**, SPL (Stratospheric Platforms Limited) | **Gary Kemp**, Cambridge Consultants
- 
- 12:00-12:30**      **Leveraging AI and Cross Sector experience to power industrial 5G use case development**  
**Carl Edgar**, Capgemini
- 
- 13:00-13:30**      **Data monetization framework for Telcos**  
**Inês Pacheco**, Capgemini
- 
- 14:00-14:30**      **Innovative 5G Private Network to accelerate Industrial Automation**  
**Olivier Coutelou**, Schneider Electric | **George Tsirtsis**, Qualcomm | **Jeremie Compan**, Capgemini |  
**Sylvain Allard**, Capgemini
- 
- 15:00-15:30**      **New Development Paradigm using Virtual Twin for ADAS Systems**  
**Euriel Malpiece**, Dassault Systèmes | **Oussama Ben Moussa**, Capgemini
- 
- 16:00-16:30**      **AI Driven Smart Capex Framework for Mobile Network Investments**  
**Inês Pacheco**, Capgemini
- 
- 17:00-17:30**      **Digital Asset Ecosystems, a practical approach to building a repeatable Metaverse**  
**Walker Sherk**, Capgemini

# 02

THURSDAY

- 
- |             |   |
